Mother Maya is spiritual mother to thousands of people whom she has helped to heal from life-threatening challenges and diseases. Mother belongs to India's most erudite Vedic lineage – *Veda Vyasa* – and has been tutored by His Holiness, Swami Dayananda Saraswati. Mother Maya is the spiritual head of the Wise Earth Monastery in the Pisgah Mountains of North Carolina, and is also the founder of the Mother Om Mission (MOM), a charitable organization whose goal is to teach Vedanta and Ayurvedic health care education to at-risk communities throughout the world to foster self knowledge, inner harmony and good health. Mother Maya is one of the world's pre-eminent spiritual leaders who presented at the *Global Peace Initiative of Women Religious and Spiritual Leaders* in Geneva, Switzerland.
